Audio, Video and Web Conferencing Delivering a Superior Collaboration Experience

GlobalMeet is the highest-quality, easiest-to-use audio, video and web conferencing solution on the market. Users have instant, one-click access to their own simple and intuitive meeting room from any browser, on any device, anytime. With 24/7 access to the best in-meeting support in the industry, GlobalMeet delivers a superior collaboration experience for one-on-one meetings, team meetings, training sessions and more.

The Highest Quality User Experience

GlobalMeet is a customer-focused solution built on user testing and iterative customer feedback to deliver the best user experience. It is the highest quality solution backed by modern technology that is continuously improving.

Instant Meeting Access From Any Browser

Joining a meeting has never been easier. Experience one-click access from any browser and device with a consistent, full-featured experience. And access to the best 24/7 global in-meeting support is just a click away.

Personalized Meeting Room

Accommodate participants on a simple, easy-to-use interface that is designed around users.

Easy Scheduling Options

Start, schedule and join meetings in one click from the desktop app, Outlook Toolbar or a mobile device.

Flexible Audio Connections

Join meetings in one click and instantly connect audio via Use My Phone or Use My Computer.

Instant Meeting Access

Frictionless meeting entry from any browser, on any device, with the same full-featured experience.

Content Sharing Made Easy

Simply click a drop-down to change the meeting type and display a screen, app or up to six webcams.

Investment in Modern Technology

Engage participants with the highest quality screen sharing and HD Audio & Video for a rich meeting experience.

Easy-Access Meeting Controls

One-click access to start cloud recording, mute your line, share your webcam and screen share.

A Redefined Mobile Experience

Stay engaged on the go with one-touch start & join with an adaptive design to support any mobile device size.

Integration With Microsoft Teams

Seamless integration to start, join and schedule a GlobalMeet meeting within MS Teams.

Seamless Deployment Experience

A simple end-to-end deployment experience with network-friendly protocols.

Multimodal Support Capability

Instant 24/7 in-meeting access to multiple support methods via phone, email and chat.
